Re: The rower ( full name: \_\_\_\_\_) is requesting to row at The KRC during the 2025 Season.

From: Bruce Boulter, KRC Youth Crew Coach & Janine Chan, President/ Club Coach of the KRC

The KRC is a member in good standing with Rowing Canada Aviron , our National Sport Organization, and Rowing BC, our Provincial Sport Organization. Please see the Safe Sport Policy Manual that is uploaded on the KRC Website ( URL: [kamloopsrowing.com](http://kamloopsrowing.com)) as it applies to your son/daughter participating in a rowing program at our venue and becoming a club member for the current season. Both coaches have completed Criminal Record Vulnerable Sector Checks prior to the 2025 season start.

As ( full name \_\_\_\_\_) is considered a minor ( < 19 y.o.) presently, it is The KRC's intent in this letter to maintain transparency in our sport delivery and communication with our members as a small, volunteer club and share the reality of rowing sessions at our Club:

- Although rare, rowing sessions at The KRC may have only 1 rower on the water with the coach driving the safety boat.
- To support rower development, The KRC coach may row in the same boat as a rower and provide technique coaching from the boat.
- Program activities may involve recreational rowers rowing in youth crew boats to fill empty seats as well as provide mentorship opportunities. If this occurs, these adults will have completed Criminal Record Vulnerable Sector Checks prior to this activity.
- **Communication between coach to members will utilize the StackTeam App. Please download this app so you are aware of all information and messages exchanged this season between coach to athlete and parent. Thank you!**

By signing below, you acknowledge awareness of various situations that may occur while ( full name: \_\_\_\_\_ is rowing at The KRC and consent to his/her membership at The KRC for the 2025 season.
